

Disney Live!: Sing, Dance and Play

Feld Entertainment in 2004 expanded its long running relationship with Disney and embarked on a new venture with *Disney Live!*, a series of Broadway-quality, interactive touring theater productions featuring Disney-themed stories to families with young children. *Disney Live!* inspires children and their parents to jump up out of their seats to sing, dance and play along with Disney characters in three dimensional stage productions.

Currently there are four touring properties in the *Disney Live!* series including the inaugural production, *Disney Live! Winnie the Pooh*, launched in New Zealand in June 2004. This international smash hit for children brings the Hundred Acre Wood and its lovable inhabitants, Pooh and his friends to the stage in an exciting family entertainment experience.

Three additional *Disney Live!* productions are also on tour:

Disney Live! presents *Mickey's Magic Show* featuring world class illusionists along with Disney's fabulous five – Mickey, Minnie, Donald, Daisy and Goofy, showcase a stunning sequence of magical acts. From the breathtaking levitation of Minnie and *Aladdin's* Princess Jasmine to the Fairy Godmother transforming Cinderella's rags to riches, the illusions astound children and adults alike.

Playhouse Disney Live! for the first time, brings characters from four popular Playhouse Disney TV shows appear together live on stage for an unforgettable musical celebration. *Playhouse Disney Live!* takes audiences into the colorful worlds of *Mickey Mouse Clubhouse*, *Little Einsteins*, *My Friends Tigger & Pooh* and *Handy Manny*.
